

Monday Night Prayer - Sound

Step 1 - MixRack Breaker

1. Flip the Yellow Breaker 22 in panel L3 in the amp room (Turns the mix rack on)

Step 2 - Sound Board

1. Turn on the equipment rack on the sound board desk. This turns on the sound board. log in as admin (password is admin)
2. Once it loads the show, hit the Scene button and load the most recent scene

Step 3 - Amps

1. Turn on the equipment rack in the cubby
2. Turn on all the silver switches (without red tape) in the amp room for the amps
3. Turn on the amp by the choir equipment

Step 4 - Mics

4. Get the prophetic mic from the front row and put new batteries in (located behind the drums) and put the mic on a straight stand at the altar (leave it on but mute it upstairs while not being used)
5. Get the emcee mic from the mic rack, put new batteries in and place it on the pulpit

Step 5 - Music

1. Start the music loop by hitting Surface, Audio, USB and then play the music loop

Shutdown

Make sure to turn off all amps before turning off the sound board. Then, once the sound board is off, you can turn off breaker 22 for the mix rack.
